## Detailed Project List, 1998

---

- 1998 Subsurface contamination from suspected leaking underground aviation fuel(s) storage tanks - commercial property assessment. State of Oregon. Sole source award to Wade Research, Inc. Confidential Client. Project 98-01.
- 1998 Subsurface contamination from suspected leaking underground product storage tanks at a commercial service station - downgradient property investigation. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 98-02.
- 1998 Subsurface contamination from suspected leaking No. 2 fuel oil from underground storage tanks - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 98-03.
- 1998 Subsurface contamination from suspected leaking No. 2 fuel oil from underground storage tanks - commercial property assessment. State of Massachusetts area. Sole source award to Wade Research, Inc. Confidential Client. Project 98-04.
- 1998 Subsurface contamination from suspected leaking kerosene, No. 2 fuel oil and residual fuels from underground storage tanks - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 98-05.
- 1998 Subsurface contamination from suspected leaking gasoline from underground storage tanks - commercial property assessment. State of Massachusetts - downgradient property investigation. Sole source award to Wade Research, Inc. Confidential Client. Project 98-06.
- 1998 Subsurface contamination from suspected leaking underground gasoline storage tanks and above ground No. 2 fuel oil storage tanks - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 98-07.
- 1998 Investigation of subsurface petroleum contamination from possible leaks of a petroleum transmission pipeline. Resulting subsurface contamination by home heating oil and/or jet fuel - commercial property assessment. State of Alaska. Sole source award to Wade Research, Inc. Confidential Client. Project 98-08.
- 1998 Subsurface contamination from suspected leaking underground gasoline storage tanks - commercial property assessment. State of Florida. Sole source award to Wade Research, Inc. Confidential Client. Project 98-09.
- 1998 Subsurface contamination and surface water slicks potentially from suspected leaking above ground gasoline, No. 2 fuel oil and No. 4/6 fuel oil storage tanks - commercial property assessment. State of Massachusetts. Sole source award to Wade Research,

Inc. Confidential Client. Project 98-10

- 1998 Survey of potential contamination of stormwater runoff collection ponds at an east coast bulk oil terminal facility - commercial property assessment. State of New York. Sole source award to Wade Research, Inc. Confidential Client. Project 98-11.
- 1998 Subsurface contamination from suspected leaking underground gasoline and diesel fuel storage tanks - commercial property assessment. State of Oregon. Sole source award to Wade Research, Inc. Confidential Client. Project 98-12.
- 1988 Subsurface contamination from suspected leaking underground jet fuel storage tanks - hydrocarbon plume tracking and contaminated property assessment. John F. Kennedy International Airport, Long Island, New York. Competitive procurement to a technical team that includes Wade Research, Inc. for geochemical expertise. The Port Authority of NY/NJ. Project 98-13.
- 1998 Subsurface contamination from suspected leaking aboveground distillate fuel storage tanks - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 98-14.
- 1998 Subsurface contamination from operational problems with aboveground naphtha storage tanks - commercial property assessment. State of Florida. Sole source award to Wade Research, Inc. Confidential Client. Project 98-15.
- 1998 Subsurface contamination from suspected leaking underground gasoline and No. 2 diesel/fuel oil storage tanks - commercial property assessment. State of New York. Sole source award to Wade Research, Inc. Confidential Client. Project 98-16.
- 1998 Subsurface contamination from suspected leaking above ground kerosene storage tanks - commercial property assessment. State of Alaska. Sole source award to Wade Research, Inc. Confidential Client. Project 98-17.
- 1998 Subsurface petroleum product contamination from groundwater monitoring well inadvertently filled with No. 2 fuel oil and/or potentially mixing with suspected leaking underground No. 2 diesel/fuel oil storage tanks - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 98-18.
