1995

- 1995 Massachusetts Port Authority, Boston Harbor Dredging Project. Completion of documentation of environmental impacts of dredging. Sole source award to Wade Research, Inc. Project 95-01
- 1995 U. S. Army Corps of Engineers, New Bedford Harbor Contaminated Sediment Remediation Dredging Project. Technical assistance on field sampling procedures, laboratory analyses, and organic geochemistry for polychlorinated biphenyls (PCBs). Sole source award to Wade Research, Inc. Project 95-02.
- 1995 Subsurface contamination from a leaking No. 2 fuel oil underground storage tank - residential property assessment. Brookline, Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-03.
- 1995 Subsurface contamination from a leaking fuel oil underground storage tank - commercial property assessment. Quincy, Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-04.
- 1995 Subsurface contamination from a leaking gasoline underground storage tank - commercial property assessment. State of New York. Sole source award to Wade Research, Inc. Confidential Client. Project 95-05.
- 1995 Subsurface contamination from a leaking No. 2 fuel oil underground storage tank - residential property assessment. State of New Hampshire. Sole source award to Wade Research, Inc. Confidential Client. Project 95-06.
- 1995 Subsurface contamination from a leaking No. 2 fuel oil underground storage tank - residential property assessment. State of Montana. Sole source award to Wade Research, Inc. Confidential Client. Project 95-07.
- 1995 Subsurface contamination from a leaking gasoline and No. 2 fuel oil underground storage tank - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-08.
- 1995 Subsurface contamination from a leaking No. 2 fuel oil/diesel fuel underground storage tank - commercial property assessment State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-09.
- 1995 Subsurface contamination from a leaking gasoline and No. 2 fuel oil underground storage tank - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-10.

- 1995 Commonwealth of Massachusetts, Massachusetts Bays Program Assessment of organic contaminants in the coastal zone. Sole source award to Wade Research, Inc. Project 95-11.
- 1995 Subsurface contamination from a No. 2 fuel oil surface release - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-12.
- 1995 Jones River Watershed. *Pro bono* evaluation of non-point source pollution control strategies. Project 95-13.
- 1995 Subsurface contamination from a leaking gasoline and No. 2 fuel oil underground storage tank - commercial property assessment. State of Massachusetts. Sole source award to Wade Research, Inc. Confidential Client. Project 95-14.
- 1995 Subsurface contamination from a leaking gasoline and No. 2 fuel oil underground storage tank - commercial property assessment. Commercial Airport. Sole source award to Wade Research, Inc. Confidential Client. Project 95-15.
- 1995 Subsurface contamination from a leaking gasoline underground storage tank - commercial property assessment. Service Station. State of New Jersey. Sole source award to Wade Research, Inc. Confidential Client. Project 95-16.
- 1995 Subsurface contamination from use of a manufacturing byproduct as fill material at a commercial facility - commercial property assessment. State of New Jersey. Technical assistance in analytical chemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 95-17.
- 1995 Subsurface contamination from a leaking gasoline underground storage tank - commercial property assessment. Service Station. State of New Jersey. Sole source award to Wade Research, Inc. Confidential Client. Project 95-18.
- 1995 Subsurface contamination from leaking gasoline underground storage tanks - commercial property assessment. Nine separate service stations. State of New Jersey. Sole source award to Wade Research, Inc. Confidential Client. Project 95-19.
- 1995 Subsurface contamination from a leaking gasoline underground storage tank - commercial property assessment. State of New Jersey. Sole source award to Wade Research, Inc. Confidential Client. Project 95-20.

1996

- 1996 Subsurface contamination from a suspected leaking underground No. 2 fuel oil/diesel fuel storage tank - commercial property assessment. Service Station. State of Massachusetts. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-01.
- 1996 Subsurface contamination from a suspected leaking underground industrial chemical storage tank - commercial property assessment. Manufacturing facility. State of Connecticut. Technical expert in chemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-02.
- 1996 Subsurface contamination from suspected leaking underground gasoline storage tanks - commercial property assessment. State of New Jersey. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-03.
- 1996 Subsurface contamination from suspected leaking underground gasoline storage tanks - commercial property assessment. State of New Jersey. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-04.
- 1996 Surface water body and subsurface contamination from suspected leaking above-ground storage tanks - commercial property assessment. State of Massachusetts. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-05.
- 1996 Subsurface contamination from suspected leaking underground No. 2 fuel oil/diesel fuel storage tanks - commercial property assessment. State of Massachusetts. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-06.
- 1996 Subsurface contamination from suspected leaking above ground storage tanks - commercial property assessment. State of New Jersey. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Confidential Client. Project 96-07.
- 1996 Subsurface contamination from suspected leaking underground gasoline storage tanks - commercial property assessment. State of Montana. Technical expert on organic geochemistry. Sole source award to Wade Research, Inc. Turned down on a conflict of interest basis. Confidential Client. Project 96-08.
